CareFirst has entered a new partnership with LifeWorks to offer an enhanced Employee Assistance Program (EAP) for our members.

LifeWorks is a global leader and pioneer in total employee wellness solutions and has replaced Magellan, our former EAP vendor. LifeWorks' EAP combines comprehensive, traditional services with on-demand emotional health support, interactive resources and self-guided solutions. This enhanced EAP is available to fully insured and self-insured commercial market segments.

Our improved EAP offers modern-day solutions and well-being resources to better serve the needs of our members.
