

For brokers and producers only

Date: March 3, 2022

Markets: All (except Medicare Advantage, Medicaid, CFA)

Behavioral Health Digital Resource Email Campaign

How many of us are getting 7 hours of sleep each night? For those having trouble sleeping, our March email theme, "Brighter Days Can Be Yours," will be of particular interest.

This is the third email in our monthly series, which started in January and will run through May. Each month is a different theme to familiarize members with the benefits of the **Behavioral Health Digital Resource**.
