Live Webinar, March 21—The Prescription for Affordable Drugs

On Monday, March 21, CareFirst will host a panel discussion from 2 to 3 p.m. exploring policy solutions to increase access to prescription drugs. In this important discussion, you'll hear a panel of experts share their perspectives on a range of topics, including:

- Trends in the affordability of prescription drugs and their effect on insurance premiums and out-of-pocket costs
- The relationship between drug pricing, care management practices, and patient outcomes
- State and Federal policy solutions to address affordability and accessibility

This online event will be moderated by **Jim Leleszi**, Senior Vice President of Specialty Markets at CareFirst.

Panelists will include:

- **Rena M. Conti, Ph.D.**, Associate Professor, Department of Markets, Public Policy and Law at Boston University Questrom School of Business
- **Sean Dickson, J.D., MPH**, Director, Health Policy at West Health Policy Center
- **Andrew York, J.D., Pharm.D**, Executive Director at Maryland Prescription Drug Affordability Board

We hope you can join us. If you're unable to attend, we'll share a recording post-event. Also, if you know someone who would enjoy or benefit from this discussion, please feel free to share this registration link.
