### Dominion National's Robust Shelf Products Make Selling Benefits Simple

Dominion's wide array of pre-packaged dental and vision products provide a quick and easy solution for you and your clients. Our shelf products can meet the needs of any small group client while the pre-approved pricing and plan designs make sales and implementation straightforward for you.

#### Highlights:

Variety of products, including PPO, ePPO,<sup>1</sup> Select Plan<sup>2</sup> and Vision

Two-year rate guarantees already included

Extensive plan features, including Prevention Rewards, composite fillings, an extra cleaning for expectant mothers and diabetics and no waiting periods

Easy participation requirements starting at two enrolled

Simple paperwork and implementation – 100% digital

Custom member pre-enrollment kits emailed within three business days

**Shelf products make doing business easy!**

1. The ePPO is not available in New Jersey.
2. Managed care plan with exclusive network, fixed member copayments, no annual maximum dollar limits, no waiting periods and no deductibles.
