## Dominion's Network Coverage and Performance Guarantees

**Coverage:** 96% of Dominion members have access to at least two dentists within 10 miles of their homes.<sup>3</sup>

**Innovative Provider Recruitment Strategy:** On select opportunities, we guarantee a target number and timeframe for provider recruitment. Dominion employs a hands-on recruiting approach to ensure a network of qualified and experienced providers are available to serve each groups' employee base.

**Nominate a Dentist:** Dominion welcomes your recommendations as we continually expand our dentist networks. You can nominate a new provider for our consideration by [filling out our Dentist Nomination Form](#). Each sales territory has a dedicated provider recruitment manager who will follow up on your request.
