Opening August 2021! Bowie Fairwood Medical Center

Kaiser Permanente is excited to announce our new Bowie Fairwood Medical Center opening this summer. This new-build medical center with a projected opening date of August 16, 2021, will offer primary care, behavioral health, OB/Gyn, and more ancillary services. The attached [flyer](#) contains additional details and can be shared with your clients and Kaiser Permanente members as part of our ongoing commitment to providing convenient and affordable quality care.
