Our New, Next Generation Medical Center Opens in Baltimore County

Lutherville-Timonium Medical Center to serve more than 16,400 Kaiser Permanente members, expanding access to high-quality health care near Baltimore

Kaiser Permanente is proud to announce the opening of Lutherville-Timonium Medical Center. This new, 222,000 square foot comprehensive care center expands access to award-winning care in Baltimore County, and offers a full range of world-class physicians in more than 30 medical specialties ranging from cardiology and dermatology to neurology, obstetrics, gynecology, and more. The new medical center will also offer an array of services including 24-hour Advanced Urgent Care with clinical observation units, 24-hour radiology and laboratory, and extended weekday and weekend pharmacy hours.

Located at 2391 Greenspring Drive, Lutherville-Timonium is the largest Kaiser Permanente medical center in Baltimore County and Kaiser Permanente's sixth comprehensive care center in the Mid-Atlantic. The state-of-the-art Lutherville-Timonium Medical Center is the third of six new next-generation medical centers opening in the mid-Atlantic region over the next 14 months. The facility has an ambulatory surgery center that's opening with three operating rooms, 100 exam rooms, oncology services, and 12 procedure rooms for everything from plastic surgery to orthopedic procedures. Kaiser Permanente members will also benefit from a variety of advanced surgical procedures with top-rated surgeons, including total hip replacement, total knee replacement, appendectomy, and thyroidectomy as well as same-day home recovery following several types of surgeries.
