

## Offer the expertise of large case specialists and services

Principal<sup>®</sup> is dedicated to helping small- to medium-sized businesses, but we've also got your back when it comes to cases with 500 to 5,000 employees. Your clients can choose from a variety of insurance solutions—group and individual coverage (disability income insurance and executive life insurance solutions). And from education and enrollment to administration and claims, you and your clients benefit from the expertise of our large case specialists and services.

### **Offer additional value with our FMLA and PFML services**

Larger clients many times need more help when it comes to reducing Family and Medical Leave Act (FMLA) costs and recognizing liability risk. Our **FMLA service** combines specialists from two areas of expertise to provide an outcome that's fair, accurate, and consistent with FMLA regulations. And we offer Paid Family and Medical Leave (PFML) service in **Connecticut** and **Massachusetts**, too.
