GENERAL INFORMATION	
Enter the Prior Calendar Year Average Total Number of Employees	Under Health Care Reform law, the number of employees means the average number of employees employed by the company during the preceding calendar year. An employee is typically any person for which the company issues a W-2, regardless of full-time, part-time or seasonal status or whether or not they have medical coverage. To calculate the annual average, add all the monthly employee totals together, then divide by the number of months you were in business last year (usually 12 months). When calculating the average, consider all months of the previous calendar year regardless of whether you had coverage with us, had coverage with a previous carrier or were in business but did not offer coverage. Use the number of employees at the end of the month as the "monthly value" to calculate the year average. If you are a newly formed business, calculate your prior year average using only those months that you were in business. Use whole numbers only (no decimals, fractions or ranges).
Enter the Prior Calendar Year Full Time Equivalent Total Number of Employees	For purposes of determining your number of full-time equivalent employee count, the number of employees means the average number of employees employed full-time (at least 30 hours/week in any given month), by the company on business days during the preceding calendar year. In addition to the number of full-time employees noted above, for any month otherwise determined, include for such month the number of full-time employees divided by the aggregate number of hours of service of all employees who are not full-time employees for the month by 120. Employers should exclude employees who were seasonal workers who worked 120 days or fewer in the preceding calendar year.
☐ Yes ☐ No	Subject to ERISA? (Most private sector plans are ERISA plans) If No, please indicate appropriate category: ☐ Church (Additional information needed) ☐ Federal Government ☐ Indian Tribe – Commercial Business ☐ Non-Federal Government (State, Local or Tribal Gov.) ☐ Foreign Government/Foreign Embassy ☐ Non-ERISA Other
☐ Yes ☐ No	In the past 36 months, has the Group/Company or any affiliated entity filed for protection or operated under federal/state bankruptcy laws? (Chapter 7 or 11)
☐ Yes ☐ No	In the past 36 months, has any creditor filed or threatened to file a petition requesting the Group/Company or any affiliated entity be placed voluntarily into bankruptcy?
☐ Yes ☐ No	Does your group sponsor a plan that covers employees of more than one employer? If you answered Yes, then indicate which of the following most closely describes your plan: ☐ Professional Employer Organization (PEO) ☐ Multiple Employer Welfare Arrangement (MEWA) ☐ Taft Hartley Union ☐ Governmental ☐ Church ☐ Employer Association
☐ Yes ☐ No	Is your group a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), or other such entity that is a co-employer with your client(s) or client-site employee(s)? If you answered Yes, then by signing this application you agree with the certification in this section. I hereby certify that my company is a PEO, ELC or other such entity and that only those employees that are the corporate employees of my company, and not my co-employees, are permitted to enroll in this group policy.
☐ Yes ☐ No	Do you currently utilize the services of a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), Staff Leasing Company, HR Outsourcing Organization (HRO), or Administrative Services Organization (ASO)?
☐ Yes ☐ No	Do you have common ownership with any other businesses? If you own multiple companies, or a parent-subsidiary relationship exists between your company and another, this may indicate common ownership of businesses.
