KAISER PERMANENTE. Individual and family plans

Prior to Applying

Applying for a Kaiser Permanente health plan is a simple process, but it helps to be prepared. Please review the checklist below and tell us how the application will be completed.

Note: If you choose to complete an online application, you can save your application at any point in the process and return later to complete it.

Cancel Continue >

Application Checklist

Please enter the ZIP code for your primary residence

* ZIP Code:

How will the application be completed?

Select the method in which the application will be completed.

You may choose to complete the application online or on paper. If you choose to complete the application electronically (online), you also agree to receive a response from Kaiser Permanente electronically. You will have an opportunity to print a copy of your completed application and Kaiser Permanente's responses for your records.

Online Application

- You will complete the application online.
- Your online medical questionnaire and the assessment of eligibility that will be issued by Kaiser Permanente, possibly including medical information, can be viewed by any member of your household who has the user ID and password for this Web application.

Paper Application

You

This is the start of the “Direct Apply” path an applicant would take if they click on the broker’s Direct Apply link (url).

Please notice the Broker’s name displayed for the applicant to see. All other numbers have been removed when on the Broker Path.
